City of Yucaipa Lowers Flags in Honor of Former Councilmembers Dick Riddell and Diane Smith

YUCAIPA, Calif. — The City of Yucaipa is deeply saddened by the passing of two dedicated former councilmembers this past week: Dick Riddell and Diane Smith. As a tribute to their enduring legacy and decades of public service to the Yucaipa Community, the City has ordered all flags at city facilities to be lowered to half-staff.

Flags will remain half-staff until after the conclusion of their respective memorial services.

The City of Yucaipa extends its deepest condolences to the families of the former councilmembers.
