ON FILE: Project information and documentation are on file in the City of Yucaipa Planning Division, located at 34272 Yucaipa Boulevard, Yucaipa, CA, and they will be available at www.yucaipa.gov prior to the public hearing. Materials regarding the project are also available on the City's website at <https://yucaipa.gov/planning/> under the Specific Plan and Environmental Review headings.

ENVIRONMENTAL DETERMINATION: An Initial Study/Mitigated Negative Declaration has been prepared and the Planning Agency of the City of Yucaipa has determined that revisions in the project have been made by (or agreed to by) the project proponent, or that appropriate standard measures and procedures exist, and therefore, the project will not have a significant effect on the environment. Staff recommends adoption of a Mitigated Negative Declaration in accordance with the requirements of the California Environmental Quality Act of 1970 and the CEQA Guidelines, as amended, should the project be approved. If the denial is upheld, staff recommends that the City Council find that the project is exempt from CEQA pursuant to Sections 15061(4) and 15270 of the CEQA Guidelines.
