(Yucaipa, CA) – The City of Yucaipa would like to invite you, your family, and friends to participate in an open house on Wednesday, April 19, and Tuesday, May 9 from 6:30pm to 7:30pm at Dunlap Elementary to learn about the proposed Dunlap Park Project.

Dunlap Park will be a great addition to our community's park facilities, providing a place for residents to enjoy time together as well as our City's natural beauty.

The open house will be an opportunity for the community to assist City staff in gathering input as the City moves forward in applying for construction grant funding. City staff and project managers will be on hand to provide information and address any concerns.

We encourage you to attend this open house and provide feedback on this project. Your input is valuable to the City and will help ensure that Dunlap Park meets the needs of our community.

If you are interested in attending, please register with the QR Code below.

Thank you for your continued support of the City of Yucaipa. If you have any questions, please contact Shane Massoud at [smassoud@yucaipa.org](mailto:smassoud@yucaipa.org) or Todd Gutjahr at [tgutjahr@Yucaipa.org](mailto:tgutjahr@Yucaipa.org).

We look forward to seeing you at the open house!
